*Service availability may differ by region or country.
*Separate subscriptions required for OTT services.

LG THINQ APP

LG ThinQ App

Manage Household Tasks with One Hand

Enjoy single-window access to all LG Electronics home appliances and IoT devices with the LG ThinQ app. Operate, monitor and diagnose your LG devices anytime, anywhere.

*LG ThinQ App needs to be downloaded separately in compatible devices. All features and functionality depends upon device.

UHD Cinema

Entertainment

Endless Content On Demand

Easily enjoy content from the biggest streaming platforms directly on LG TV.

*Netflix streaming membership required. Disney+ content available on Hotstar App. Amazon, Prime Video and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Amazon Prime membership and/or Prime Video fees apply. See primevideo.com/terms for details. Apple, the Apple logo, and Apple TV are trademarks of Apple Inc, Registered in the U.S. and other countries. Apple TV+ requires a subscription. Supported service may differ by country.

*Images are simulated to enhance feature understanding.
*Conventional refers to LG UHD TVs without NanoCell Technology.

HDR10 Pro Expertly Enhanced Picture

HDR10 Pro uses Dynamic Tone Mapping to automatically improve the contrast and clarity of your content frame by frame.

*Support for FILMMAKER Mode may vary by country.

FILMMAKER Mode™

FILMMAKER MODE™ preserves the original colors, settings, and frame rates to bring the director's original vision to you.

UHD Gaming

Advanced Gaming

Unlock Gaming Greatness

Upgrade your gaming setup with a next-level TV designed for ultimate next-gen gaming.

*Availability of software updates may vary depending on model and region.
*Items in the Game Optimizer menu may vary by series.
*Game Dashboard is activated only when both "Game Optimizer" and "Game Dashboard" is "ON"

Game Optimizer & Dashboard

Game Optimizer keeps all of your gaming settings in one easy-to-use menu while the new Gaming Dashboard gives you quick access to your current settings.

Without **HGiG**

With **HGiG**

HGiG

LG has partnered with some of the biggest names in the gaming industry to bring you the latest HDR games with utmost realism and immersion.

*HGiG is a volunteer group of companies from the game and TV display industries that meet to specify and make available for the public guidelines to improve consumer gaming experiences in HDR.
*Support for HGiG may vary by country. *Images are simulated to enhance feature understanding.

UHD Perfect Fit

Design

The Perfect Fit for Your Space

LG UHD TV now features a slim design and minimalistic bezel that complement your home interior.

WOW Interface

The Perfect Fit for Your Sound

When connected to an LG TV, the soundbar switches modes automatically. Additional sound settings can be enjoyed on the soundbar as well as on the TV.

*This feature is only supported on 2023 TV models. Support varies by model.
*Feature support varies by LG Soundbar model.

Smart TV

Smart Beyond What You Think
